The good news is that there is a recycling center near you in Pea Ridge. There are also recycling centers in all surrounding areas. Always remember recycling is not only good for you, but for everyone. It helps preserve and maintain the world for future generations.

What is Recycling?
It is when we take old things and make them new again.

What is the process of recycling?
Taking used things and reusing them for different purposes.

Why should people recycle?
We should all recycle to help preserve the world.

What happens if we don’t recycle?
If we don’t recycle all the trash will continue to go to landfills. We will eventually run out of materials to use such as plastic.

Different materials take different periods of time to decompose.

- Paper: 2-5 months
- Orange Peel: 6 months
- Milk Carton: 5 Years
- Cigarette butt: 10-12 years
- Plastic bag: 10-20 years
- Leather shoes: 25-40 years
- Nylon Cloth: 30-40 years
- Plastic container: 50-80 years

Recycling can be one of the best things you can do for the environment and your town. The Arkansas Department of Environmental Quality offers a variety of programs to aid in municipal waste reduction, including grants and assistance for recycling programs.
The most important information is included here on the inside panels. Use these panels to introduce your organization and describe specific products or services. This text should be brief and should entice the reader to want to know more about the product or service.

You can use secondary headings to organize your text to make it more scanable for the reader.
