Introduction

• We are working with Elmdale Elementary School to assist them in raising money for their school food bank.
• The school provides 150+ snack bags every day, as well as snack packs for each weekend.
• The student are raising money by having a “penny drive” for their school food bank.
• The school is located in Springdale. They currently have 600 students in grades K-5.
Methodology

Our Team...

• Met weekly
• Collaborated with group members and shared responsibilities.
• Worked with Elmdale Elementary staff and students.
Project Overview

• The fundraising event was organized to raise money for the Elmdale Elementary food bank.
• The “penny drive” engaged the students and staff through a competition between classes.
• The winning class will be awarded a MadScience show.
• The second place winner will receive Sonic cards
Community Benefits

• Providing food to families in need.
• Helping Elmdale Elementary raise money to feed children who need it.
