Elmdale's Character Education Motto

"Good character is that quality which makes one dependable whether being watched or not, which makes one truthful when it is to one's advantage to be a little less truthful, which makes one courageous when faced with great obstacles, which endows one with the firmness of wise self-discipline."

Arthur S. Adams

Activity
The activity was created to make the students of Elmdale feel empowered, by raising money for their school's food bank. The students brought in loose change.

- NWACC EMPACT students painted teachers' names on the outside of paint cans.
- Students at Elmdale brought in change to put in the paint cans.
- The change was counted on Fridays, to see what class had the most change.
- The class that had the most change at the end of the two weeks won a morning with Mr. Science doing cool science activities.
- NWACC students went shopping with the money that was raised and bought nonperishable food that the school could use in their food bank.
