

Carol Olson Division of Science and Mathematics Mathematics & Physics Department Developmental Mathematics Program

Mathematics Faculty & Developmental Mathematics Coordinator

Phone No: (479) 986-6906 (checked during office hours)
Email: colson@nwacc.edu checked during office hours (please allow 48 hours for replies)
Web-Page: <http://faculty.nwacc.edu/colson>
Office: SC 348
 Interoffice Mail: Math Dept, SC

Schedule – Fall, 2008	Last Updated: Aug 27, 2008
------------------------------	-----------------------------------

“By Appt” meetings must be set up ahead of time. All other office hours listed here are on a drop-in basis in SC 348 (also available electronically call/confirm electronic meetings at least 24 hours ahead). (NOTE: some office hours are in classroom during extended sessions or the Learning Lab (L Lab).) As I occasionally must attend meetings during any office hour, please also feel free to make an appointment during drop-in times, to ensure my availability. Please confirm that I’ve written any appointments we make in my daily planner. You may also make (limited) appointments outside the hours listed. If you make an appointment, please plan to keep it. If you *must* miss an appointment, please call me, email me or tell me in person a.s.a.p. (Repeatedly missing appointments made outside drop-in hours may mean loss of that privilege.)

Monday, Wednesday, Friday

MWF 9:30 am – 10:15 am Office Hours (Mon’s = by prior appt)

10:30 am – 11:40 am	Interm Alg – Comp Asst’d CRN 11198	MW – SC 319, F – SC 338A
